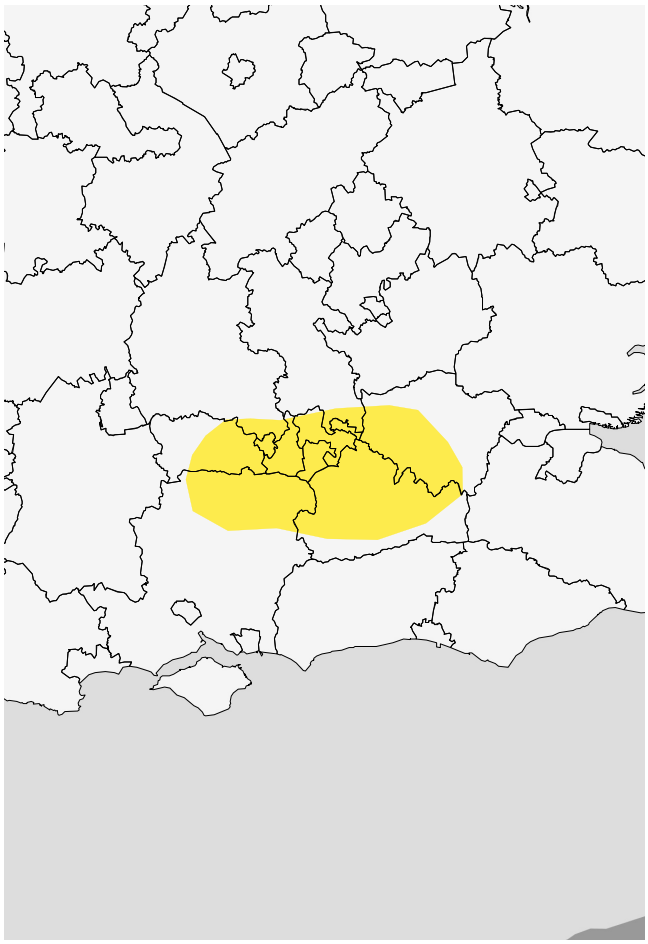
Yellow warning
Fog

Between
00:15 Mon 23 Jan 2023 and
11:00 Mon 23 Jan 2023



Freezing fog will lead to difficult driving conditions and could cause travel delays in some areas this morning.

What to expect

- Slower journey times with delays to bus services possible
- There is a chance of delays or cancellations to flights

Further details

Areas of freezing fog are expected to continue to thin during the rest of the morning. Visibility as low as 50 to 100 metres could still be encountered in a few areas though, and some untreated surfaces will be icy. This combination could lead to localised difficult driving conditions.

Reason for update

Area reduced as visibilities improve.

Medium likelihood of low impacts
